SUBJECT: Professional Appearance Policy

ISSUE OR REVISION DATE: June 30, 2017

INITIATED or REVISED BY: Office of Student Affairs

APPROVED BY:

Annette C. Reboli, M.D., Interim Dean

PURPOSE: This policy is part of the overall emphasis on the importance of professionalism and defines appropriate attire and appearance within that context.

POLICY: Professional Appearance

SCOPE: This policy applies to all CMSRU medical students and visiting medical students.

PROCEDURE: This policy is based upon safety, concern for the patient, respect for others, an awareness of cultural competence, and the central importance of professionalism in medicine. Recent trends in clothing, body art, and body piercing may not be generally accepted by your patients, and should not be worn by medical students. Clothing should be clean and neatly pressed. Note that CMSRU ID badges are to be worn at all times.

The following will outline the expectations of CMSRU in matters of professional appearance:

Phase I - During most of the first two years of the curriculum, students will spend their time in lectures and small group activities where attire should be comfortable, neat and not distracting. Avoid dress or attire that could be perceived as offensive to others. During the WOW weeks, Ambulatory Clerkship, and when interfacing with patients at any CHS facility students must follow the Dress Code Policy of Cooper University Health Care stated below.

Phase II - During the last two years, all students will adhere to the Dress Code Policy of Cooper University Health Care (8.604 Employee Relations-Employee Dress Code):

I. POLICY:
   A. It is the policy of Cooper University Health Care to establish standards of dress, grooming and appearance. Personal appearance should reflect a neat, professional, businesslike image and should be
appropriate for the employee's work situation. While Cooper understands that dress and appearance are often a matter of personal taste, Cooper must be mindful of patient and employee safety as well as Cooper's professional image. Therefore, Cooper maintains the right to establish and enforce standards of dress, grooming and appearance as dictated by business need, interactions with customers and other visitors. In addition to the traditional work setting, this policy applies to work related functions and events, such as education programs and job fairs that an employee attends as a representative of Cooper.

II. PURPOSE:
A. To set forth the standards of appropriate dress, grooming, and appearance for employees.

III. PROCEDURE:
Dress code guidelines may vary by department, job function and location. Department dress codes may be more restrictive. Cooper recognizes three (3) types of dress: business, business casual and uniforms. Management at all times reserves the right to take appropriate action toward any employee whose grooming or dress violates the letter or the spirit of this policy. Employees that appear for work inappropriately dressed will be sent home and directed to return to work in proper attire. Under such circumstances, employees will not be compensated for time away from work and disciplinary action may be taken.
A. General Guidelines
1. The Cooper identification badge is required to be worn at collar level with employee name and photo facing forward and clearly visible at all times while working at any Cooper location. Lanyards that are longer than upper chest area are not permitted. When off duty, the ID badge cannot be worn at any Cooper location unless the employee is in compliance with the dress code.
