

Cooper Medical School of Rowan University

May 1, 2020

Dear CMSRU students,

Although in yesterday's message I said that I would cut back on the number of communications, I think this good news merits a special announcement.

In accordance with our parent University, CMSRU will freeze tuition and fees at the 2019-2020 rate for the upcoming academic year. This was approved by the Executive Committee of the Rowan University Board of Trustees. I am most grateful to President Houshmand, his Executive Cabinet, and the Rowan Board for taking this action.

In addition, Rowan University received monies for federal student financial aid as part of the Coronavirus Aid, Relief and Economic Security Act (CARES). Details about how students can apply for the funds will be available next week.

I wish you and your families a healthy and restful weekend!

Sincerely,

Annette C. Reboli, M.D.
