classmates and clinical faculty
for a virtual event in support of
White Coats for Black Lives**

[12:59 p.m.](#) or [8:59 p.m.](#)

Cooper Medical School of Rowan University and Cooper University Health Care are co-sponsoring two WebEx events for students, faculty, and health care workers. Each will include a one-minute introduction, followed by **8 minutes and 46 seconds of silence.**

The two WebEx events will begin at 12:59 p.m. ([click here to join](#)) and 8:59 p.m. ([click here to join](#)).

**Don your white coat and take a knee as an
expression of solidarity to end social
injustice, racism and health care disparities.**

We wish this event could be held in-person at CMSRU, but we are unable to host it due to current state-mandated pandemic restrictions.

Together we are stronger. Together we can make change.
