… review completed evaluations in One45.

When you log in, you land on your To-Do page.

Click on Evaluations in the left menu.

The default view shows assessments submitted about the student. Here students can review all of the assessments that have been submitted across their medical school education.

To review the evaluations you have submitted, click the By Me tab. This will show you all of the evaluations you have submitted. Using the Find option in your browser, you can navigate to specific evaluations you have submitted.
