2023-2024 Highlights of Committee Work

- CUH Community education – “Cultivating a positive learning environment”: 15 min educational talks given to faculty in following departments: Department of General Surgery Faculty; Cooper Heart Institute Faculty & Fellows; Heme/Onc Faculty; Emergency Medicine Faculty; Anesthesia; OBGYN; Radiology; Pediatrics.
- Distribution of Tip Sheet for Positive Learning Environment to CUH Faculty.
- Monitoring of learning environment with mistreatment survey. Anonymous survey of trainees (residents and students) which asks about mistreatment in the learning environment. Survey distributed at 6-month intervals. Initial data presented during PLEC meetings.

- Review of learning environment reports. Identified the OR/nursing staff as a source of areas of weakness in the learning environment.

2024-2025 Future Goals and Plans

Continue community education

- Create resident education requirement
- Create education for OR/RN staff
- Plan for ongoing education and circulation of “tip sheet”

Continue review of learning environment
