Meeting Dates

- 11/14/2025

2025-2026 Highlights of Committee Work

- Reviewed the COI case for ALG at CMSRU
- Voted to reduce the meetings from two to one per year.

2026-2027 Future Goals and Plans

- Provide a regular literature search on conflict of interest in medical education.
- Potential for developing educational offerings on the legal aspects of medicine.
- Review and clarify where conflict of interest and AI education is incorporated in the medical school curriculum, including CITI modules and longitudinal training
