4/13/2026

2025-2026 Highlights of Committee Work

- Reviewed AI policy and suggested modification
- Researched information on informatics & healthcare management coursework for a stackable certificate
- Submitted recommendation on Rowan University Library Website Redesign

2026-2027 Future Goals and Plans

- Redesign Review AI Policy for alignment with the Cooper AI Principles and Strategic Statement
- Monitor changes to the new CMSRU Library Website
- Remain current on the joint Cooper IT & Rowan IRT implementation of OpenAthens with a special focus on data usage statistics
- Support the promotion of the Cooper ORCID institutional membership
