2025-2026 Highlights of Committee Work

- Distributed positive learning environment tip sheet for clinical years

· Developed and distributed academic positive learning environment tip sheet for preclinical years

· Reviewed learning environment and mistreatment reports

· Identified concerns regarding tracking of mistreatment reports and need for tracking to prevent recurrent issues.

-Formal remediation process for faculty suggested and outlined

· Initiated development of student tip sheets for WOW weeks and clinical rotations

2026-2027 Future Goals and Plans

-Continue work on formal remediation process and development of remediation tools

· Use mistreatment reports to help develop additional tools to avoid mistreatment
