Cooper Learning Network Courses

Please complete the following Cooper Learning Network (CLN) online courses by <u>July 30, 2023</u>. All CLN courses use the same directions. Students must successfully answer 80% of the questions to receive required credit. **The test out option is not recommended for first time test takers**.

PLEASE NOTE: The HIPAA course includes options to select text and graphics or video. The text and graphics options have the same material as the video version but can be completed more quickly.

ACCESSING THE COOPER LEARNING NETWORK:

New Students:

1. **Navigate to the CLN** - To access the Cooper Learning Network (CLN), copy and paste the following URL into your web browser: *Please use Google Chrome launching the courses, directly accessing the internet using the link below, not accessing CLN through Citrix.
   http://lsglm.learnsoft.com/lsglm/login/cooperlogin.aspx

2. **Login to the CLN- (First Time User)**
   User Name: last name-first name-5 (ex. smith-john-5)
   Password: password

3. **Change Your Password** - Once you login, change your password from the My Profile tab. Once your profile displays, check the Change Password box. Two fields will activate to enter and confirm your new password. Click Save when done.

4. **Courses** will be located in the Tasks section of the site.

5. **Who do I contact if I have questions about the CLN?**
   For technical or other issues/questions, please contact the CUHC IT Service Desk at 856-968-7166.
   Please do not email CMSRU.
